Angel...

Who was your angel? Was it your physician on call? Was it a nurse that helped you thru the night? Or was it the dietary aide who supplied that comforting meal? Whoever it was that touched your heart you now have the chance to let them know.

Wings...

You can honor your angel by recognizing their generous act by making one of your own. By making a donation to the Mitchell County Regional Medical Foundation you will recognize your angel in two ways. First they will receive an angel pin to wear and remember each day. Also you will be able to share your story of how they touched your visit . The donation will be recognized in their honor on our Angel Square Plaque for all patrons and employees to see.

Gift...
